

2023 Annual Air Force Ball

The Air Force Ball is an annual event held in the month of September to recognize when our branch was first founded on September 18, 1947. This year marks the 76th birthday of the U.S. Air Force and marks both the 75th year McGuire AFB was established and when women were first able to join the Air Force. This event enables our service members across the globe to come together and celebrate with one another.

This year's event will be held in Atlantic City, NJ at the Golden Nugget Hotel and Casino. We are anticipating 500 civilian and Air Force members and their guests to attend. The fundraising committee is looking to reach out to local organizations and businesses in helping to make this event a success. We are asking for any donations that your organization is willing to put towards our event to make it as memorable as possible. Your donation ultimately lowers ticket prices for service members and supports entertainment, food, and decorations for the event. If interested, sponsorship opportunities are listed on the next page.

The fundraising committee is partnered with the Air Force Sergeants Association. Donation methods can be in the form of cash, a check written to AFSA CH 211, or using the QR code with the link below. Our Tax EIN is 23-7124468.
